

Day of the Dinosaurs

Friday, October 9, 2009

Creation Adventures by Science Partners

“Behold now behemoth, which I made with thee.” Job 40:15

Join Bill and Merilee Clifton - creationists, Florida Master Naturalists, and science educators – as we journey back in time to the days when dinosaurs walked with man. At Dinosaur World, the world’s largest dinosaur attraction, we will see over 150 life-sized models of dinosaurs representing more than 60 species. This lush, shaded semi-tropical setting also has a small museum, an outdoor classroom, and an awesome gift shop. We will spend the morning with the dinosaurs, learn how they are named, find out about dinosaurs in the Bible, and even see real fossils! Be sure to bring your camera for some great photo opportunities! After lunch, we will travel to a phosphate museum where we can see how the worldwide flood affected Florida’s past by fossilizing the remains of sea and land animals and plants. Be sure to bring along a small spade. We will spend some time digging for shark teeth and other small fossils outside the phosphate museum! You may keep whatever you find!

We will meet between 9:30 and 9:45 AM in Dinosaur World’s parking lot, 5145 Harvey Tew Road, Plant City, FL 33565. Use www.mapquest.com or www.randmcnally.com for directions and driving time from your home. Our day as a group will end at the phosphate museum around 3:30 P.M. **Be sure to bring a picnic lunch, as well as a spade or large spoon for fossil digging.** The Cliftons will provide sifting baskets and fossil ID charts. It’s always a good idea to bring sunscreen, insect repellent, water, rain poncho, and camera. Creation resources will be available for purchase during our lunch time. If you have questions, please contact Bill or Merilee Clifton at 407-331-3427 or sciencepartners@cfl.rr.com. On the day of the event, you may call our cell phone, 407-808-4458.

Space is limited to the first 60 registrants! Minimum number is 40. Family and friends of all ages are welcome! A responsible adult must accompany all children. Cost is free for ages 2 and under; \$17 for ages 3 - 18; and \$19 for adults. Make your check payable to **Science Partners** and send along with this registration form to 343 Allison Avenue, Longwood, FL 32750. **Deadline for minimum number is September 10, 2009. Late registrations will be accepted, space permitting.**
