 Creation Adventures by Science Partners

*“The heavens declare the glory of God;
 and the firmament shows His handiwork.” Psalm 19:1*

Join Bill and Merilee Clifton - creationists, science educators, authors, and Florida Master Naturalists – as we **focus on astronomy** in an “out of this world” workshop! We’ll compare and contrast the biblical and secular worldviews of astronomy. Topics include **astronomy vs. astrology**, astronomy in the Bible, the earth, moon, stars, constellations, meteors, planets, our Solar System, galaxies, and the universe. Mr. Clifton will present a fascinating astronomy program, and we will **make astronomy crafts**. The highlight of this workshop will be a **“Gospel in the Stars” astronomy presentation in the STARLAB, a portable planetarium.**

This astronomy workshop will be held at WaterStone Church (formerly First Baptist Church of Altamonte Springs), 900 North Street, Longwood, FL 32750, from 1:00 – 4:00 p.m. in the Worship Center. For directions and driving time from your home, check www.mapquest.com or www.googlemaps.com. Creation resources will be available for purchase during the workshop. If you have any questions, please email the Cliftons at sciencepartners@cfl.rr.com or call / text 407-808-4458.

PLEASE NOTE: This workshop is best suited for ages 7 and up. The presentation inside the STARLAB is not suitable for preschoolers. Minimum number of participants (adults and children) is 30; maximum number is 60. A supervising adult must accompany all children. Cost is \$8.50 per participant, adult or child (7 years and up). **Make your check payable to Science Partners and mail with registration form below to 343 Allison Ave., Longwood, FL 32750. Deadline for minimum number is March 19. Late registrations accepted, space permitting.**
