Creation Adventures by Science Partners

*The heavens declare the glory of God;
and the firmament showeth His handiwork. Psalm 19:1*

Join Bill and Merilee Clifton - creationists, science educators, authors, and Florida Master Naturalists – as we **focus on astronomy** in an “out of this world” workshop! We’ll compare and contrast the biblical and secular worldviews of astronomy. Topics include **astronomy vs. astrology**, astronomy in the Bible, the earth, moon, stars, constellations, meteors, planets, our Solar System, galaxies, and the universe. Mr. Clifton will present a fascinating astronomy program, and we will **make astronomy crafts**. The highlight of this workshop will be a **“Gospel in the Stars” astronomy presentation in the STARLAB, a portable planetarium!**

This astronomy workshop will be held at The Classical School, 3000 South John Young Parkway, Orlando 32805 in Faith Hall of First Baptist Church, Orlando from 9:00 a.m. to 12:00 p.m. For directions and driving time from your home, check www.mapquest.com or www.googlemaps.com. Creation resources will be available for purchase during the workshop. If you have any questions, please email Bill or Merilee Clifton at sciencepartners@cfl.rr.com or call / text 407-808-4458.

PLEASE NOTE: The minimum age for this workshop is 6 years old. The presentation inside the STARLAB is not suitable for younger children. Minimum number of participants (adults and children) is 40; maximum number is 70. A supervising adult must accompany all children. Cost is \$7.50 per participant, student (6 – 18 years) or adult (19 years and up). Make your check payable to **Science Partners** and send it along with your registration form below to 343 Allison Avenue, Longwood, FL 32750.

Deadline for minimum number is Sept. 9. Late registrations accepted, space permitting.
