

Creationist Guide to SeaWorld

Friday, November 7, 2014

Creation Adventures by Science Partners

“God created great whales and every living creature that moveth, which the waters brought forth abundantly, after their kind.” Genesis 1:21

Join Bill and Merilee Clifton - creationists, authors, Florida Master Naturalists, and science educators - as we explore SeaWorld from a creationist perspective. Mr. Clifton, former head of SeaWorld Orlando's Education Department, knows his way around the park! He will provide a unique and fascinating perspective of SeaWorld as we learn about the sea and the awesome creatures that live in it. Did you ever wonder why marine mammals have tails that move up and down instead of side to side like fish? Or why they are born tail first instead of head first like land mammals? Come along as we answer these and many other questions, exploring SeaWorld from a creationist viewpoint and discovering how these unique life forms were specially created for a marine environment!

Meet in SeaWorld's Education Parking Lot G between 8:30 and 8:45 AM. Please make every effort to arrive early. **Parking is \$17 per car.** Drive through the main entrance which opens at 8:30 AM; turn right just past toll plaza into Education Parking. Your creation tour of SeaWorld will last from 9:00 AM – 1:00 PM. Then, you are free to explore SeaWorld on your own until the park closes! You must exit through the Main Gate. We'll have a short lunch break. Lines to purchase food can be very long. **Bring lunch in a small disposable container. No coolers are allowed in the park. For animal safety, no glass or straws are allowed.** It's a good idea to bring sunscreen, insect repellent, water, rain poncho, and camera. If you have questions, contact Bill or Merilee Clifton at 407-331-3427 or sciencepartners@cfl.rr.com. On the trip day, you may call the Cliftons' cell phone, 407-808-4458.

Space is limited to the first 45 registrants! Minimum number is 30. A responsible adult must accompany and supervise all children. Make your check payable to **Science Partners** and send it along with your registration form below to 343 Allison Avenue, Longwood, FL 32750. **Deadline for minimum number is October 10, 2014. Late registrations accepted, space permitting.**

Registration Form: CREATIONIST GUIDE TO SEAWORLD – Friday, November 7, 2014

Last Name:		Address:		
City:		Zip:	Home Phone: ()	
E-mail:		Cell Phone: ()		
Adult Names:	Children's Names:	Ages:	Children's Names:	Ages:
1.	1.	1.	4.	4.
