

NOAH'S ARK AND THE WORLDWIDE FLOOD
Friday, May 4, 2018
CREATION ADVENTURES BY SCIENCE PARTNERS

“By faith Noah, being warned by God of things not seen as yet, moved with fear, prepared an ark to the saving of his house; by which he condemned the world and became heir of the righteousness which is by faith.” Hebrews 11:7

Join Bill and Merilee Clifton - creationists, authors, Florida Master Naturalists, and homeschool science educators as we study *Noah's Ark and the Worldwide Flood!* This story has been told for centuries with variations in cultures all over the world. Is it really true? Could one man build a boat that big? How could all the animals fit in the ark? What about dinosaurs? Did the flood destroy every living thing? Was it global or local? Is there any evidence in the earth of a worldwide flood? What about fossils? How are they formed? What can we learn from them? And what does all this mean to me today? Find answers to these and other questions during this workshop that is open and suitable for all ages. The workshop includes a captivating visual presentation, a scale model of the ark, and fossils, as well as crafts and a game to reinforce what we learn.

This workshop will be held at First Baptist Church of Windermere, 300 Main Street, Windermere 34786 in the gym from 9:00 AM until 12:00 Noon. For directions from your home, check www.mapquest.com or www.googlemaps.com. Creation resources will be available for purchase. If you have questions, please email the Cliftons at sciencepartners@cfl.rr.com or call / text 407-808-4458.

Family and friends of all ages are welcome! Minimum number is 40; maximum number is 80. A responsible adult must accompany and supervise all children. **Cost is free for 4 years old and under and \$7.50 per person for 5 years old and up (children and adults).** Please make your check payable to **Science Partners** and send with registration form below to **343 Allison Avenue, Longwood, FL 32750. Deadline for minimum number is April 6, 2018. Late registrations are accepted, space permitting.**
