 Creation Adventures by Science Partners

***“The heavens declare the glory of God;  
 and the firmament shows His handiwork.” Psalm 19:1***

Join Bill and Merilee Clifton - creationists, science educators, authors, and Florida Master Naturalists – as we focus on astronomy in an “out of this world” workshop! We’ll compare and contrast the biblical and secular worldviews of astronomy. Topics include astronomy versus astrology, astronomy in the Bible, the earth, moon, stars, constellations, meteors, planets, our Solar System, galaxies, and the universe. Mr. Clifton will present a fascinating astronomy program, and we will make astronomy crafts. The highlight of this workshop will be a “Gospel in the Stars” astronomy presentation in the **STARLAB**, a portable planetarium.

**This astronomy workshop will be held at First Baptist Church Windermere, 300 Main Street, Windermere 34786 from 12:30 – 3:30 PM in the gymnasium.** For directions from your home, check [www.mapquest.com](http://www.mapquest.com) or [www.googlemaps.com](http://www.googlemaps.com). Creation resources including books, booklets, and DVDs will be available for purchase during the workshop. If you have questions, please email the Cliftons at [sciencepartners@cfl.rr.com](mailto:sciencepartners@cfl.rr.com) or call / text 407-808-4458.

**PLEASE NOTE: This workshop is best suited for ages 6 and up.
