***“The heavens declare the glory of God;  
and the firmament shows His handiwork.” Psalm 19:1***

Join Bill and Merilee Clifton - creationists, science educators, authors, and Florida Master Naturalists – as we focus on astronomy in an “out of this world” workshop! We’ll compare and contrast the biblical and secular worldviews of astronomy. Topics include astronomy versus astrology, astronomy in the Bible, the earth, moon, stars, constellations, meteors, planets, our Solar System, galaxies, and the universe. Mr. Clifton will present a fascinating astronomy program, and we will make astronomy crafts. The highlight of this workshop will be a **“Gospel in the Stars”** astronomy presentation in the **STARLAB**, a portable, inflatable planetarium.

This astronomy workshop will be held at Biltmore Baptist Church, 35 Clayton Rd., Arden, NC 28704 in the Gymnasium (Backlot).

- **Workshop 1 will meet from 8:30 – 11:30 AM;**
